

YOU'RE INVITED!

What: Pumpkin U-Pick

Date: Saturday, September 30th, 2017

Time: 12:00pm – 3:30pm

RSVP: Please RSVP by Friday, September 29th via email to veggies@wholesomeharvestcsa.com with the number of people attending plus the amount of pumpkins you would like to pick.

*This will help us determine if there will be a limit on pumpkins based on the amount of members attending and how many pumpkins everyone is looking to pick. We are not anticipating any limit but we are never quite sure of the turnout.

Confirmation: On Friday, September 29th, we will send out a confirmation email to all those members who RSVP'd confirming logistics and pumpkin numbers.

Cost of Event: \$1.00 for each pumpkin picked to cover some of the cost of the seed and labor.

Other activities COULD include a caramel apple stand where you can pick up an apple or two drizzled in caramel syrup and loaded with all the goodies you could dream of on a caramel apple (okay, there will be the classic peanuts and sprinkles plus one or two other toppings but who needs anything more for a great caramel apple?! Great for the ride home maybe ☺)

If raining, please be aware the date could be changed to Sunday, October 1st or cancelled.

*Please be prepared to walk in the fields. We recommend boots and gloves with everyday clothes!
